

Here, it's all about Relationships

YOU can be the light that shines bright for a child and our rescued equine. We have watched God transform lives through this ministry and would like to invite you to partner with us on this journey.

When you sponsor one child, your gift will provide beverages, snacks and lunch along with boots, socks, jackets and helmets required for the equine activities. Their name nor any personal information would be

provided yet you'd be updated on their educational, relational and spiritual progress quarterly and yearly. When you sponsor a rescued equine, we will send you photographs of him or her each month along with updates on their vet, farrier and nutritional progress. You will also be recognized on the ranch website by your equine's photograph. Your gift would supply feed, supplements, hay, grooming tools, as well as vet and farrier fees for your sponsored equine.
